我是一个充满设计热情的学生，渴望学习、探索和体验设计领域。此外，我渴望找到作为设计师的自己，发挥自己作为设计师的最大能力。关于设计，我认为每个人对美的定义和理解都是不同的，设计没有好坏之分，只有让用户满意的设计。

I'm a passionate design student who is eager to learn, explore and experience the design field. Furthermore, I desire to find myself as a designer and put my best as a designer and put my best of my capabilities. About design, I think that everyone's definition and understanding of beauty is different, there is no good or bad design, only the design that satisfies the user.
